

OVERVIEW

MEDITECH Services

Achieve digital maturity with MEDITECH
and expert end-to-end services from an operator perspective.

Why CereCore International?

- + Proven success implementing and optimising across all MEDITECH platforms
- + Complete lifecycle of services from assessment and planning to managed services and ongoing support
- + Backed by a team of highly experienced MEDITECH experts, clinicians, and operators focused on empowering patient care
- + Find rapid return on investment with fixed-scope or fixed-fee services that address specific MEDITECH pain points including automated testing and release management

Expertise, MEDITECH experience, patient care and partnership focus

Our legacy is in operating MEDITECH-based facilities and providing clinical care using every version and platform of MEDITECH. Our comprehensive services are based on 30 years of knowledge of MEDITECH architecture, understanding the impact of technology on care providers, and leveraging the value of MEDITECH for healthcare operations. Our dedication to patient care lives on by leveraging our unique perspective and skillsets and make us a true partner for maximising your MEDITECH investment.

End-to-end services that help you focus on what you do best

We focus on pragmatic, cost-effective solutions that help you focus on what you do best – patient care.

- Implementation, optimisation, and consulting
